

Your Gateway to Skilled Career Opportunities in Canada

Pathway to success

Who are we

BuildPath Canada is a career and immigration pathway facilitator that connects skilled professionals with trusted partners to help them build successful careers in Canada

Our Mission

Is to empower skilled professionals both within Canada and internationally to achieve their career goals by providing access to training, job opportunities, and immigration pathways. We are committed to reducing unemployment, supporting Canada's labor market needs, and helping individuals build long-term, fulfilling careers.

Our vision

At BuildPath Canada, we envision a future where every skilled professional regardless of their background or location has the opportunity to build a successful and fulfilling career in Canada.

- ✓ Empower Individuals: Provide the tools, training, and support needed to achieve career growth and financial stability.
- ✓ Strengthen Canada's Workforce: Address labor market needs by connecting skilled professionals with high-demand industries.
- ✓ Expand Opportunities: Continually explore new partnerships and industries to offer even more pathways for success.
- ✓ Strengthen Canada's Workforce: Address labor market needs by connecting skilled professionals with high-demand industries.

- ✓ Complete freedom in immigration representation

Next Steps

1. Apply and Complete our training program
2. Secure your guaranteed job placement
3. Connect with our recommended immigration professionals (If you choose).

The
Opportunities
are endless

General Questions

1. What does BuildPath Canada do?

BuildPath Canada connects skilled professionals with trusted partners who provide training, job placement, and support to help them build successful careers in Canada. Currently, our focus is on the construction industry, but we are exploring partnerships in other high-demand sectors.

2. Who is eligible for BuildPath Canada's services?

Our services are open to:

- Canadian Residents: Skilled professionals, temporary residents, newcomers, and career changers.
- International Applicants: Skilled professionals and career changers planning to relocate to Canada.

3. Is there a fee to apply?

Yes, there is a \$150 non-refundable administrative fee due at the time of registration. This fee covers initial consultations, pathway discovery, orientation scheduling and document verification.

Training and Job Placement

4. What training programs are available?

We connect you with trusted partners who offer comprehensive training programs, including:

- Online live video training and self-help modules.
- In-person training upon arrival in Canada.
- Programs designed to meet Canadian industry standards.

5. Is job placement guaranteed?

Yes, our partners guarantee job placement for successful trainees. You'll secure a well-paying job in high-demand roles.

6. What industries do you currently focus on?

Currently, our focus is on the construction industry, but we are actively exploring partnerships in other high-demand sectors.

Costs and Payment

7. How much does the training cost?

The average cost for training through our partners is \$4,000 USD. This fee is paid directly to our partners after a pathway is found.

8. What is the refund policy?

- *Within Canada:*
 - Cancellations are eligible for a full refund if requested within 7 calendar days from the first scheduled training date.
 - After this period, no refunds will be issued; however, a credit will be applied to your account for future use.
- *Outside Canada:*
 - If an international applicant does not receive a PR or work permit within 1 calendar year, they are eligible for a full refund.

Immigration Pathways

9. Does BuildPath Canada provide immigration services?

No, we do not provide immigration services directly. However, we connect non-permanent residents and non-citizens with trusted immigration services to explore work permits, and potential pathways to permanent residency.

10. Can BuildPath Canada guarantee permanent residency?

No, we cannot guarantee permanent residency. Immigration outcomes depend on individual eligibility and the guidance provided by licensed immigration professionals.

Application Process

11. How do I apply?

Complete the Application Form on our website

If approved, you'll receive payment instructions via email for the \$150 non-refundable administrative fee

Once payment is confirmed, we'll contact you to schedule your orientation

12. What happens after I apply?

- You'll attend a Zoom orientation to determine the best training and job placement pathway for you.
- Once a pathway is confirmed, you'll begin training through our trusted partners.
- After completing training, you'll secure a job and, if applicable, explore immigration pathways with our support.

Future Opportunities

13. Will BuildPath Canada offer programs in other industries?

Yes! While our current focus is on the construction industry, we are actively exploring partnerships in other high-demand sectors to provide even more opportunities for skilled professionals.
